**SAUCE**

**BARBEQUE SAUCE**

Made in Australia from Local and Imported Ingredients - CH BBQ Sauce has 93% locally sourced ingredients and only 7% of the ingredients are imported

INGREDIENT	EXPLANATION
Water	Filtered water
Tomato Paste	This is the same as the tomato paste you would have in your cupboard - however there is no added salt in this tomato paste and is simply 100% tomatoes heated to make a concentrated paste
Vinegar	Vinegar - just the same as you would have in your own kitchen cupboard
Carrot Juice Concentrate	Carrot juice concentrate which is simply carrots juice that has been heated so that some of the water is removed so the flavour is rich and sweet.
Corn Starch	Another way of saying corn flour - Non GMO corn which is dried and milled into a flour - the same process as other flours such as rice, tapioca or wheat. Corn flour does not contain MSG.
Salt	Sea Salt - Evaporated sea water
Natural Colour [Caramel (Corn)]	Natural caramel colour is made by controlled heating of a food grade carbohydrate such as corn syrup.
Onion Powder	Onions that have been dried to remove the water and ground into a powder - the same way spices are made
Natural Worcestershire Sauce Flavour	This is worcestershire sauce liquid that has been heated to remove the water then dried and ground to a powder
Spices [Allspice, Pepper]	Simply just spices that are the same as what you would have in your cupboard or pantry - they are simply dried and ground spice plants
Natural Sweetener (Stevia)	Stevia is NATURAL - it comes from the South American Stevia plant which is a highly sweet herb which is used for its sweet properties
Natural Smoke Flavour	Smoke flavour is prepared by burning freshly cut hardwood and running water above the smoke to catch the flavour which condensed the smoke into a liquid.
Spice Extracts [Cassia, Clove, Nutmeg]	Spice extracts are a way of adding natural concentrated flavours to the sauce. Spice extracts are made by taking the natural spice eg Clove and extracting and distilling the flavour to make a liquid or oil.
